CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing **within 30 days of the date of the sale.**

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

U. S. HALF CENT OF 1842.

1017 1842. Half Cent. Restrike. Small berries. From Mr. S. H. Chapman's sale of the Kingman collection, Feb. 1920. Mr. Chapman thus described the coin: "Has been thru a fire and a splash of silver has fallen across it from the first and second stars on the left, across neck to second star r.; the surface still fine and has been bronzed a brown color. **Extremely fine.**" The writer did not agree with Mr. Chapman's description as to condition. Later we tried cleaning it but could not improve it. It is now offered for sale. It cost $46 in Mr. Chapman's sale. The reverse is quite fine, also the date. A very rare coin, and its appearance raises again the question of which type of half cents were really restrikes and which originals in the '40s. To my mind it is still a large question.
